**DIRECTOR'S REPORT**

Dear Members

We are pleased to present the report on our business and operations for the year ended 31<sup>st</sup> March, 2025.

**1. Results of our Operations:**

The Company's financial performance for the year ended 31<sup>st</sup> March, 2025 is summarized below;

(Rs. In Lacs)		
Particulars	FY 2024-2025	FY 2023-2024

<b>Net Profit/(Loss) for the Year</b>	<b>(36.90)</b>	<b>235.21</b>

**a. Review of operations and affairs of the Company:**

During the year under review, the Company has made Net Loss of Rs. 36.90 lacs as compared to Net Profit of Rs. 235.21 lacs in the previous year. Sales of the Company came down substantially during the financial year for want of orders for the Specialty Chemicals Products used in various grades of Coal and coke. In spite of efforts by the Directors, the orders for new products were not received till date in the current year. The Directors are continuing to approach the customers to secure the orders but the Company has not received the orders. These new products which were the growth drivers in the last 3-4 years, are coming from the R&D pipeline of the Company and hence are yet to be fully stabilized in the market. The volatile Coal price scenario prevailing globally has disrupted the viability matrix for our customers. The Company is making all possible efforts to revive these growth areas and also open up new areas.

The Company's R&D Department has developed some consumers Products, which have been well received by the customers. Though the volume is presently very small, but the Directors are hopeful that in the long term the sales of these Products will improve.

**b. Change in Nature of Business:**

During the year under review, there has been no change in the nature of the business of the Company except the Company has commenced online sales of some consumers Products developed by the Company.

**c. Dividend:**

In view of loss, the Board does not recommend any Dividend for the year.

**d. Transfer to Reserves:**

The Company has not proposed to transfer any amount to any reserve.

**e. Transfer of Unclaimed Dividend to Investor Education and Protection Fund:**

The provisions of section 125(2) of the Companies Act, 2013 is not applicable to the Company.

**f. Details relating to deposits, covered under Chapter V of the Companies Act, 2013:**

Sl. No.	Particulars	Details
1	Accepted during the year	NIL
2	Remained Outstanding or unpaid or unclaimed as at the end of the year	NIL
3	Whether there has been any default in repayment of deposits or payment of interest thereon during the year and if so, number of such cases and the total amount involved:	
a	at the beginning of the year	No
b	maximum during the year	NA
c	at the end of the year	NIL

**g. Details of Deposits which are not in compliance with the requirements of Chapter V of the Companies Act, 2013:**

The Company has not accepted any deposits during the year under review and hence the compliance with the provisions of the Chapter V of the Companies Act, 2013 does not arise.

**h. Particulars of loans, guarantees or investments:**

During the year under review, the Company has not granted any loan or given any guarantee or provided any security. The details of Investments made by the Company are provided in Note No. 3 of the Financial Statements.

**i. Particulars of contracts or arrangements made with related parties:**

The Company has entered into related party transaction and the particulars of contracts or arrangements with related parties referred to in section 188(1) of the Companies Act, 2013, as prescribed in Form AOC-2 is appended as **Annexure I**.

The Policy on Related Party Transaction can be viewed on our website <http://www.sreechem.in/policy.php>.

**j. Material changes & commitments affecting financial position of the Company, occurring between the end of financial year and the Boards Report date:**

There are no material changes or commitments likely to affect the financial position of the Company which in the opinion of your Board has an impact on the functioning and working of the Company. The operations of the Company have effectively been managed, and the Management reviews the performance from time to time in order to monitor the business activities of the Company.

## Annexure II

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

**1. GLOBAL ECONOMIC OVERVIEW:**

The prices of inferior quality Coal increased about two years ago compared to good quality Coal due to European demand for alternative energy still continues. This resulted in paucity of orders for the new products as the customers did not have imported inferior quality of Coal to consume. This resulted in no enquiry / orders for Coal based Products.

Interest rate increased by Central Banks of all the countries of the World due to higher inflation worldwide continued resulting in higher costs during last year.

**2. INDIAN ECONOMIC OVERVIEW:**

The Reserve Bank of India reduced interest rates during the last quarter of the year. However, the Company reduced the interest cost by keeping inventory under control and also due to lower production sales.

India has emerged as the fastest-growing major economy in the world and is expected to be one of the top three economic powers globally over the next 4-6 years, backed by strong growth of the economy.

**3. INDUSTRY STRUCTURE & DEVELOPMENT:**

The Company manufactures Phenol based resins and other Allied Products. During the year, demand for resins remained depressed. The Company's Resin products are used by refractory units & steel plants. There was dumping of imported refractories by China. As such local industries suffered and there was tremendous competition between resins manufacturers resulting in lower sales realization.

**RESIN INDUSTRY IN INDIA:** There are five – six established manufacturers of Phenolic Resins in India. The industry is dependent on growth of Refractory Industry in the country. But due to imports of Refractories from China, Indian Industry is starved of orders, resulting in huge competitions between the Resin manufacturers. Also, one new producer of Resin has commenced production resulting in further competition.

**4. OPPORTUNITIES & THREATS:**

The Basic Raw-material – Phenol is manufactured in India by a Government Undertaking and two Private Sector Units and is also imported. Normally there is no problem in procuring the same. But in the last few years H.O.C.L Unit remained closed intermittently and supplies remained erratic frequently during the year. The Company regularly supplies Phenolic Resins to various Refractory manufacturers and to Steel Plants. During the last few years there was huge competition from other Resin manufacturers resulting in lower net realizations.

**5. OUTLOOK:**

As stated last financial year, Sales during the Financial Year has come down drastically due to no Orders for Coal based Products were received. This resulted in lower Production & Sales during the year.

Due to mismatch in prices of good quality Coal and also non-availability of inferior quality Coal, fresh Orders for the Coal based Specialty Products are not received. The situation is still gloomy and there are no Orders in hand for the new Specialty Products during the current year.

The Basic Raw-material – Phenol is manufactured in India by a Government Undertaking and three Private Sector Units and is also imported. Normally there is no problem in procuring the raw materials. But in the last few years H.O.C.L Unit remained closed intermittently. The Company regularly supplies Phenolic Resins to various Refractory manufacturers and to Steel Plants. During the last few years there has been huge competition from other Resin manufacturers resulting in competitive margins.

In-spite of best efforts by the Directors, the Company has not received any orders for Coal-based Products during the year and the situation is still uncertain. The Directors are trying to secure orders for the new products, but till date they are unable to obtain orders for the new products. In view of the uncertain situations, the Directors had decided to curtail the expenditure last year by retrenching the newly recruited Labours and Staffs and tried to reduce the other expenditure, wherever possible.

The Company's R&D Department has developed some consumers Products, which have been well received by the customers. Though the volume is presently very small, but the Directors are focusing to improve the sales of these Products in the years to come.

**6. RISKS AND CONCERNS:**

The Company has not received fresh orders for the Coal based Specialty Products till date during the financial year. In-spite of best efforts by the Directors, the Company is unable to obtain orders for the Coal based products, and the near future is uncertain.

**RAW MATERIALS PRICE RISK:** There are three manufacturers of our basic raw materials- phenol. Shut down of HOCL Plant intermittently poses a risk of getting supplies as well as price fluctuations from time to time. Besides that, there is fluctuation in the prices of Phenol (basic raw material) as it is a crude oil base product, which is imported by Middleman. The Company tries to insulate from any fluctuations in price of basic raw-materials to the extent possible by passing on the increase / decrease in the prices of Raw-materials to the customers.

**OTHER BUSINESS RISKS:** There is a risk of imports of Refractories from low-cost Chinese Refractories manufacturers as well as resins dumped by China resulting in lower capacity utilization by the Refractory Units consequently the demand for resins was depressed. However, Company has long association with the Refractory Manufacturers, who are satisfied with the quality of the products of the Company. As such, the Company does not see much risk in marketing the Resin products of the Company. The depreciation of the rupee is a big challenge affecting the cost of inputs.

Any event like war, changes in prices of Coal and also availability of inferior quality of Coal at customer's end and policy changes with the customer directly affect our production and sales. Thus, profitability may be affected due to said developments.

**7. RISK MANAGEMENT & INTERNAL CONTROL SYSTEM:**

The Company has a robust Risk Management framework to identify, evaluate business risks and opportunities. This framework seeks to create transparency, minimize adverse impact on the business objectives and enhance the Company's competitive advantage. The business risk framework defines the risk management approach across the enterprise at various levels including documentation and reporting. The framework has different risk models which help in identifying risks trend, exposure and potential impact analysis at a Company level as also separately for business segments. The Company has identified various risks and also has mitigation plans for each risk identified. The Risk Management Policy of the Company is available on our website <http://www.sreechem.in/policy.php>.

The Board has adopted the policies and procedures for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial disclosures.

The Company is dependent on few customers for sale of new products. Thus, the management is trying to increase the customer base.

**8. DISCUSSION ON FINANCIAL PERFORMANCE:**

During the year under review, the Company has made Net Loss of Rs. 36.90 lacs as compared to Profit of Rs.236.13 lacs in previous year. The Loss is due to lower sales during the financial year. Sales of the Company came down substantially. In spite of efforts by the Directors, the orders for new products were not received resulting in lower production and sales during the financial year. The Directors are taking every step to procure orders for the new products, improve the sales, and improve the financials.

**KEY FINANCIAL RATIOS:**

Net Profit Margin	(1.04%)	4.44%	Due to Losses in current financial year
Return on Net Worth	(2.58%)	17.04%	Due to Losses in current financial year

**9. HUMAN RESOURCE:**

The Company firmly believes that human resources is an important instrument to provide proper communication of the Company's growth story to its stake holders and plays vital role in the overall prospects of the Company. The Company takes every possible step for the welfare of its manpower. The employee relationship was cordial throughout the year. The Company as on 31<sup>st</sup> March, 2025 had 73 permanent employees on its rolls.

**INDEPENDENT AUDITORS' REPORT****TO THE MEMBERS OF SREECHEM RESINS LIMITED****Report on the Audit of the Financial Statements****Qualified Opinion**

We have audited the accompanying financial statements of Sreechem Resins Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes of Equity for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information for the year ended on that date (hereinafter referred to as the "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the "Basis for Qualified Opinion" section of our report, the aforesaid financial statements give the information required by the Companies Act, 2013, ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2025, and its profit and total comprehensive income, its Cash Flows and Changes in Equity for the year ended on that date.

**Basis for Qualified Opinion**

As stated in Note 22 to the financial statements, the Company has not provided for **gratuity and leave encashment liabilities** under the defined benefit plan, as required by **Ind AS 19 – Employee Benefits**. The amount of the liability has not been determined by an actuarial valuation as at 31st March 2025, and the amount is stated to be not ascertainable, and thus, the impact on the financial statements is not quantifiable.

However, the Company has provided for the gratuity and Leave encashment liabilities as per the valuation made by the Life Insurance Corporation of India. We have obtained and reviewed the correspondence with LIC regarding actuarial valuation and assessed management's justification.

Had such liabilities been recognized as per actuarial valuation, the employee benefit expense would have increased/decreased, and profit after tax and net assets would have been correspondingly lower or higher to the extent of difference between actuarial valuations and valuation done by Life Insurance Corporation of India. Accordingly, in our opinion, the Company's financial statements do not comply with the requirements of Ind AS 19 to that extent.

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters, except for the matter described in the Basis for Qualified opinion Section. Based on the audit procedure performed including assessment of risk of material misstatement, we have not come across any other material Key Audit Matters that are required to be communicated in accordance with the standard.

**Information Other than the Financial Statements and Auditors' Report thereon**

- The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report in the annual report for the year ended March 31, 2025 but does not include the financial statements and our auditors' report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available, and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.
- We have nothing to report in this regard.

**Responsibilities of Management and those charged with Governance for the Financial Statements**

The Company's Board Of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the state of affairs (financial position), Profit & Loss (financial performance including comprehensive income), changes in equity and cash flow of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management & Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and
- Obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to financial statement in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we based on our examination, give in the "**Annexure A**", a statement on the matters specified in paragraph 3 and 4 of the Order, to the extent applicable.
2. Further to our comments in the annexure referred to in the paragraph above, as required by section 143(3) of the Act, we report that:
  - a. We have sought and except for the matter described under the "Basis of Qualified Opinion", paragraph, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b. In our opinion, except for the effects of the matter described in the "Basis of Qualified Opinion" paragraph, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c. The Balance Sheet, the Statement of Profit and Loss including other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account, except for the effect of the matter described under the "Basis of Qualified Opinion".
  - d. In our opinion, except for the effects of the matter described in the "Basis of Qualified Opinion" paragraph, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e. On the basis of written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act;
  - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in **Annexure B**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal control with reference to financial statements of the Company.

3. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position ;
  - ii. Except for the matter described under the "Basis for Qualified Opinion" paragraph, the Company has made provision as required under the applicable law or accounting standards, for material foreseeable losses, if any ;
  - iii. The Company did not have any long-term contracts including derivate contracts for which there were any material foreseeable losses;
  - iv. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - v. The management has represented that to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall :
    - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
    - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
  - vi. The management has represented that to the best of its knowledge and belief, no funds have been received by the Company from persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall :
    - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
    - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries.
  - vii. Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under clause (v) and (vi) contain any material misstatement.
  - viii. The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year.
  - ix. In our opinion and according to the information and explanation given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.
  - x. The reporting under Rule 11(g) of the Companies (Audit and Auditors) Rule, 2014 is applicable from 1<sup>st</sup> April, 2023.

Based on our examination which included test checks, the Company has used accounting software's for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software.

Further the audit trail (edit log) facility was enabled and operated throughout the year for the accounting software, we did not come across any instance of the audit trail feature being tampered with.

- XIII.** According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties if any are in compliance with the provisions of Sections 177 and 188 of the act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- XIV. In respect of Internal Audit System:**
- a. In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
  - b. We have considered the internal audit reports issued to the Company till date for the period under audit.
- XV.** According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence provisions of section 192 of the Act are not applicable to the Company.
- XVI.** The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause (xvi)(a), (b), (c) & (d) of the Order is not applicable.
- XVII.** The Company has not incurred cash losses in the current financial year and in the immediately preceding financial year.
- XVIII.** There has been no resignation of the statutory auditors during the year.
- XIX.** According to the information and explanations given to us and on basis of the financial ratios, ageing and expected dates of realization of financial assets and payments of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date, however state that this is not an assurance as to the viability of the Company. We further state that our reporting is based on the facts upto the date of audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- XX.** In our opinion and according to the financial statements, the Company is not covered by Section 135(1) of the Companies Act 2013, regarding Corporate Social Responsibilities (CSR). So this clause is not applicable to the Company.
- XXI.** The reporting under (xxi) is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

**Annexure B to the Independent Auditor's Report**

*(Referred to in paragraph 2(f) under the heading "Report on Other Legal and Regulatory Requirements" of our report of even date)*

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **Sreechem Resins Limited** ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

**NOTES ATTACHED TO AND FORMING PART OF FINANCIAL STATEMENTS  
AS AT AND FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2025**

**NOTE NO. 1: -SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**CORPORATE INFORMATION**

The Company is a public Company limited by shares and is incorporated under the provisions of Companies Act applicable in India. The Company is listed with Bombay Stock Exchange (BSE).

The Company is principally engaged in production of Resins at its plant at Jhagarpur (Rajgangpur) and Raigarh. The registered office is situated at Jhagarpur, Rajgangpur, Odhisha and its corporate office at 23A, Netaji Subhash Road, 11th Floor, Kolkata-700 001. The Company's financial statements are standalone statements. There is no holding/ subsidiary Company. The disclosures of material accounting policies are pertaining to the present activities of the Company.

**1.01. BASIS OF PREPARATION OF FINANCIAL STATEMENTS**

**I. Statement of Compliance**

The Standalone Financial Statements for the year under review have been prepared in accordance with Indian Accounting Standards (IND AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

**II. Use of Estimates and Judgments**

In preparing these Standalone Financial Statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from such estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively. Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ending 31st March, 2025 are as follows:

- (a) Recognition of deferred tax assets depends on availability of future taxable profit against which tax losses carried forward can be used;
- (b) Measurement of defined benefit obligations are based on fair value ;
- (c) Recognition and measurement of provisions and contingencies are based on key assumptions about the likelihood and magnitude of an outflow of resources;

**III. Functional and Presentation of Currency**

The Financial Statements are presented in Indian Rupees (INR), which is the functional currency.

**IV. Basis of Measurement**

The Financial Statements are generally prepared on the historical cost convention basis.

**1.02. Classification of Assets and Liabilities**

**A. Schedule III to the Act, requires assets and liabilities to be classified as either Current or Non-current.**

- a) An asset is classified as current when it satisfies any of the following criteria:
  - (i) it is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
  - (ii) it is held primarily for the purpose of trading;
  - (iii) it is expected to be realized within twelve months after the reporting date; or
  - (iv) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- b) All other assets are classified as non-current.
- c) A liability is classified as current when it satisfies any of the following criteria:
  - (i) it is expected to be settled in the Company's normal operating cycle;
  - (ii) it is held primarily for the purpose of trading;
  - (iii) it is due to be settled within twelve months after the reporting date; or
  - (iv) the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.
- d) All other liabilities are classified as non-current.
- e) Deferred tax assets and liabilities are classified as non-current.

**B. Operating Cycle**

An operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. The Company's operating cycle is twelve months for the purpose of current or non-current classification of assets and liabilities.

**C. Property Plant and Equipment**

**(i) Recognition and Measurement**

Freehold land is carried at historical cost. Capital Work-in-Progress is stated at cost. All other items of Property, Plant and Equipment that qualifies for recognition as an asset is initially measured at its cost and then carried at the cost less accumulated depreciation and accumulated impairment, if any.

The cost of an item of Property, Plant and Equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates and any costs directly attributable

to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

The cost of a self-constructed item of Property, Plant and Equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its intended use.

**(ii) Capital Work In Progress**

Tangible Property, Plant and Equipment under construction are disclosed under this head. Expenditure incurred during the construction period, including all expenditure direct and indirect expenses, incidental and related to construction, is carried forward and on completion, the costs are allocated to the respective property, plant and equipment.

**(iii) Subsequent Expenditure**

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

**(iv) Depreciation**

The depreciable amount of an item of Property, Plant and Equipment is allocated on a systematic basis over its useful life. The Company provides depreciation on the straight-line method at the rates prescribed under Schedule-II of the Companies Act, 2013 on the basis of useful life of the Assets. The Company believes that straight line method reflects the pattern in which the asset's future economic benefits are expected to be consumed by the Company.

Based on internal technical evaluation, the management believes useful lives of the assets are appropriate. The depreciation method is reviewed at least at each financial year-end and, if there has been a significant change in the expected pattern of consumption of the future economic benefits embodied in the asset, the method is changed to reflect the changed pattern. Such a change is accounted for as a change in an accounting estimate in accordance with Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors.

The depreciation charge for each period is generally recognised in the Statement of Profit and Loss unless it is included in the carrying amount of another asset.

The residual value and the useful life of an asset is reviewed at year-end and, if expectations differ from previous estimates, the change(s) is accounted for as a change in an accounting estimate in accordance with Ind AS 8. The estimated useful lives for the assets are as per the life provided in the Companies Act, 2013.

Depreciation on additions/ disposals is provided on a pro-rata basis i.e. from/ upto the date on which asset is ready for use /disposed off. Depreciation charge for the year is displayed as depreciation on the face of Statement of Profit and Loss.

Fixed Assets are stated at their original cost including all expenses attributable to bring the assets to its intended use less CENVAT Credit / Capital Subsidy availed on acquisition.

**(v) Disposal**

The carrying amount of an item of Property, Plant and Equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the de-recognition of an item of Property, Plant and Equipment is charged in Statement of Profit and Loss when the item is derecognized.

**D. Intangible Assets**

**(i) Recognition and Measurement**

Intangible Assets (Computer Software) has a finite useful life & are stated at cost less accumulated amortization & accumulated impairment losses, if any.

An intangible asset is an identifiable non-monetary asset without physical substance. Intangible assets are initially measured at its cost and then carried at the cost less accumulated depreciation and accumulated impairment, if any.

**(ii) Amortization**

The other intangible assets are amortized on the straight line method. The Company believes that straight line method reflects the pattern in which the asset's future economic benefits are expected to be consumed by the Company.

The amortization period and amortization method is reviewed at least at the end of each financial year-end and, if there has been a significant change in the expected pattern of consumption of the future economic benefits embodied in the asset, the method is changed to reflect the changed pattern. Such a change is accounted for as a change in an accounting estimate in accordance with INS AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors.

The amortization expenses on intangible assets with finite lives is recognized in the statement of Profit & Loss unless such expenditure forms part of carrying value of another asset.

**E. Impairment of Tangible & Intangible Assets:**

The Company identifies impairable assets at the year-end for the purpose of arriving at impairment loss thereon being the difference between the book value and recoverable value of relevant assets. Impairment loss, when crystallises, are charged against revenues for the year.

**F. Inventories****(i) Measurement of Inventory**

The Company measures its inventories at the lower of cost and net realizable value.

**(ii) Cost of Inventory**

The cost of inventories shall comprise all costs of purchase including the costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

**Raw materials and stores & spares –**

The costs of inventories comprise the purchase price, import duties (where applicable) and other taxes (other than those subsequently recoverable by the entity from the taxing authorities), and transport, handling and other costs directly attributable to the acquisition of materials and services in bringing the inventories to their present location & condition.

Trade discounts, rebates and other similar items are deducted in determining the costs of purchase.

The costs of conversion of inventories include costs directly related to the units of production and a systematic allocation of fixed and variable production overheads that are incurred in converting materials into finished goods.

Other costs (if any) are included in the cost of inventories only to the extent that they are incurred in bringing the inventories to their present location and condition.

The cost of inventories is assigned by weighted average cost formula. The Company uses the same cost formula for all inventories having a similar nature and use to the Company.

Obsolete, slow moving and defective inventories are identified from time to time and, where necessary; a provision is made for such inventories.

**(iii) Net Realizable Value**

Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

**(iv) Valuation of Spare Parts, Stand-by Equipment and Servicing Equipment**

Spare parts, stand-by equipment and servicing equipment are recognized as Property, Plant and Equipment only if it is probable that future economic benefits associated with them will flow to the Company and their cost can be measured reliably. Otherwise such items are classified and recognized as Inventory.

**G. Financial Instruments****Financial Assets****Initial recognition and measurement**

All financial assets are recognised initially at fair value, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

**Classifications**

The Company classifies its financial assets as subsequently measured at either amortised cost or fair value depending on the Company's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

**Financial assets at amortised cost**

A financial asset is measured at amortised cost only if both of the following conditions are met:

- it is held within a business model whose objective is to hold assets in order to collect contractual cash flows.
- the contractual terms of the financial asset represent contractual cash flows that are solely payments of principal and interest.

After initial measurement, such financial assets are subsequently measured at amortised cost using the Effective Interest Rate ('EIR') method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.

**Financial assets at fair value through Other Comprehensive Income (FVOCI)**

Financial assets with contractual cash flow characteristics that are solely payments of principal and interest and held in a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets are classified to be measured at FVOCI.

**Financial assets at fair value through profit and loss (FVTPL)**

Any Financial assets, which does not meet the criteria for categorization as at amortized cost or as FVOCI, is classified as at FVTPL.

In addition, the Company may elect to classify a Financial assets, which otherwise meets amortized cost or FVOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Financial assets included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

**Equity Instruments**

All equity instruments in scope of Ind AS 109 are measured at fair value. On initial recognition an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in fair value in OCI. This election is made on an investment-by-investment basis.

All other Financial Instruments are classified as measured at FVTPL.

**Derecognition of financial assets**

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability.

The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

On derecognition of a financial asset, the difference between the carrying amount of the asset (or the carrying amount allocated to the portion of the asset derecognised) and the sum of (i) the consideration received (including any new asset obtained less any new liability assumed) and (ii) any cumulative gain or loss that had been recognised in OCI is recognised in the Statement of Profit and Loss.

**Impairment of financial assets**

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

With regard to trade receivable, the Company applies the simplified approach as permitted by Ind AS 109, Financial Instruments, which requires expected lifetime losses to be recognised from the initial recognition of the trade receivables.

**Investments**

Investments held for less than 12 months are shown as Current Investments & those held for more than 12 months are shown as Non- Current Investments.

**Cash and Cash Equivalents**

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and Cash equivalents consist of balance with banks and cash in hand which are unrestricted for withdrawal and usage.

**Financial liabilities****Initial recognition and measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, amortised cost, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of amortised cost, net of directly attributable transaction costs.

**Subsequent measurement**

The measurement of financial liabilities depends on their classification, as described below:

**Financial Liabilities measured at amortised cost**

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR.

The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

**Financial liabilities at fair value through profit or loss**

Financial liabilities at fair value through profit and loss include financial liabilities designated upon initial recognition as at fair value through profit and loss.

Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial liabilities designated upon initial recognition at fair value through profit and loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risks are recognized in OCI. These gains/ loss are not subsequently transferred to the Statement of Profit and Loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the Statement of Profit and Loss.

**Derecognition of financial liabilities**

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

**H. Revenue Recognition****Sale of Goods**

Revenue from the sale of products is recognized when all the following conditions have been satisfied:

- (a) the significant risks and rewards of ownership of the goods is transferred to the buyer;
- (b) the entity retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- (c) the amount of revenue can be measured reliably;
- (d) it is probable that the economic benefits associated with the transaction will flow;
- (e) the costs incurred or to be incurred in respect of the transaction can be measured reliably;
- (f) Dividend income from investment is recognized only when the right to receive dividend has been established.

The Company measures revenue on the basis of the consideration received or receivable taking into account the amount of any sales returns, trade discounts and volume rebates allowed by the Company.

**Interest Income**

Interest income from a financial asset is recognized using the effective interest method.

**Sale of Services**

Revenue from services rendered is recognized as the services are rendered and is booked based on agreements/arrangements with the concerned parties.

**I. Foreign Currency Transactions**

Indian Rupee is the functional as well as presentation currency for the Company. A foreign currency transaction is recorded, on initial recognition in the functional currency, by applying to the foreign currency amount the spot exchange rate between the functional currency and the foreign currency at the date of the transaction.

At the end of each reporting period, foreign currency monetary items are translated using the closing rate whereas non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction; and non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured.

Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous Financial Statements are recognized in the Standalone Statement of Profit and Loss in the period in which they arise.

When a gain or loss on a non-monetary item is recognized in Other Comprehensive Income, any exchange component of that gain or loss is recognized in Other Comprehensive Income. Conversely, when a gain or loss on a non-monetary item is recognized in Statement of Profit and Loss, any exchange component of that gain or loss is recognized in Statement of Profit and Loss.

**J. Accounting of Claims**

- a) Claims receivable are accounted at the time when certainty of receivable is established.
- b) Claims raised by the Government Authorities regarding taxes & duties, which are disputed by the Company, are accounted based on the merits of each claim.

**K. Employee Benefit****a) Short Term Employee Benefits:**

Liabilities for short term employee benefit that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as 'Employee Benefits Payable' within 'Other Financial Liabilities' in the Balance Sheet.

**b) Post-Employment Benefits:****i. Defined Contribution Plans**

This benefit includes contribution to Employee's State Insurance Corporation {ESI} and Provident Fund Contribution {PF} to the Regional Provident Fund Commissioner. These contributions are defined as an expense in the Statement Profit & Loss as and when such contributions are due.

**ii. Defined Benefit Plans  
For Gratuity and compensated leave**

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service or part thereof in excess of six months. Vesting occurs upon completion of five years of service.

The Company has not obtained any independent actuarial valuation report of its liability towards gratuity and leave encashment payable to its employees. Gratuity is provided for on the basis of actuarial payments made to Life Insurance Corporation of India as per their Group Gratuity Scheme.

**c) Other Long Term Employee Benefits – Compensated Absences**

The Company provides for encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment/availment. The provisions are presented under provisions (current) in the balance sheet.

**L. Cash Flow Statement**

Cash flows are reported using the indirect method, whereby Profit Before Tax (PBT) is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flow from operating, investing and financing activities of the Company is segregated based on the available information.

**M. Taxation**

**Income Tax**

Income tax comprises current and deferred tax. It is recognized in Standalone Statement of Profit and Loss except to the extent that it relates to a business combination or to an item recognized directly in Equity or in Other Comprehensive Income.

**Current Tax**

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

**Deferred Tax**

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognized in respect of carried forward tax losses and tax credits. Deferred tax is not recognized for:

- i. temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction;
- ii. taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax assets are recognized to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Company recognizes a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realized. Deferred tax assets – unrecognized or recognized, are reviewed at each reporting date and are recognized/ reduced to the extent that it is probable / no longer probable respectively that the related tax benefit will be realized.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

**N. Provisions, Contingent Assets and Contingent Liabilities**

- a) Provision is created when there is a present obligation as a result of past events that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.
- b) Contingent liability is disclosed by way of notes, unless the possibility of an outflow of resources embodying the economic benefit is remote.
- c) Contingent Assets are neither recognized nor disclosed in Financial Statements.

**O. Earnings per Share**

**Basic and Diluted Earnings per share**

The Company calculates basic earnings per share amounts for profit or loss attributable to ordinary equity holders and, if presented, profit or loss from continuing operations attributable to those equity holders.

Basic earnings per share is calculated by dividing the net profit or loss attributable to ordinary equity holders (the numerator) by the weighted average number of ordinary shares outstanding (the denominator) during the period.

The weighted average number of ordinary shares outstanding during the period and for all periods presented shall be adjusted for events, other than the conversion of potential ordinary shares that have changed the number of ordinary shares outstanding without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the weighted average number of ordinary shares calculated for calculating basic earnings per share and adjusted the weighted average number of ordinary shares that would be issued on the conversion of all the dilutive potential ordinary shares into ordinary shares. Dilutive potential ordinary shares are deemed to have been converted into ordinary shares at the beginning of the period or, if later, the date of the issue of the potential ordinary shares

**P. Borrowing Costs**

The Company capitalizes borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset as part of the cost of that asset. The Company recognizes other borrowing costs as an expense in the period in which it incurs them. Borrowing costs are interest and other costs that the Company incurs in connection with the borrowing of funds including exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs.

A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use or sale.

**Q. Segment Reporting**

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision maker. The Company has only one segment for its business operations.

**R. Ind AS 116 - Leases**

At present, the Company did not have any assets on lease basis.

**Note No. 25-**

In the opinion of the Board of Directors, the current assets, loans & advances are approximately of the value stated in accounts, if realized in ordinary course of business, unless otherwise stated. The provision for all known liabilities is adequate and not in excess/short of the amount considered reasonable/necessary.

**Note No. 26 - Trade Receivables**

The management of the Company has performed an assessment of the trade receivables as of 31/03/2025 and believes that the full outstanding amount of Rs. 454.71 Lakhs (P.Y. – 826.41 lakhs) is fully recoverable. This assessment is based on the following:

- (a) **Historical Collection Data:** The Company has a track record of strong collections with no significant defaults in the past. The aging analysis of the receivables indicates that the majority of the receivables are within the normal credit period granted by the Company.
- (b) **Credit Risk Assessment:** The Company has conducted a detailed credit risk assessment of its major customers and found no indication of financial difficulty or inability to pay. Continuous monitoring and credit checks are in place to ensure timely collections.
- (c) **Economic Environment:** Despite market conditions, there has been no adverse impact on the financial stability of the Company's customer base that could significantly impact their ability to settle their dues.
- (d) **No Expected Credit Loss (ECL) Recognition:** Considering the factors mentioned above, the management is of the opinion that no allowance for expected credit losses is required as per the requirements of Ind AS 109, 'Financial Instruments'. The trade receivables balance is considered to reflect the fair value and is recoverable in full.

The management acknowledges that this assessment involves significant judgement, particularly regarding the estimation of future cash flows from customers. Any material change in assumptions regarding the customers' creditworthiness may have an impact on future recoverability of the receivables.

Management will continue to regularly review the trade receivables and related credit risks to ensure that the assessment remains appropriate and that the Company's financial statements accurately reflect the recoverability of these amounts.

**Note No. 27 - Related Party Transactions**

The Company has engaged in substantial purchases and sales of goods with related parties during the year. These related party transactions are detailed below and have been conducted on terms equivalent to those that prevail in arm's length transactions:

- (a) The Company engages in the purchase and sale of goods with related parties, which are companies/entities with common ownership or control. The transactions primarily relate to purchase and sale of goods to them.
- (b) During the financial year ended 31st, March, 2025, the total value of purchases from related parties amounted to Rs. 609.11 lakhs (P.Y.-1501.19 Lakhs), and the total value of sales to related parties amounted to Rs. 61.36 Lakhs (P.Y.-135.53 Lakhs)
- (c) The pricing for these transactions is based on arm's length principles. The Company ensures that the terms of these transactions are comparable to those with third parties in similar circumstances. These terms include pricing, credit periods, and other conditions which have been determined using benchmarks, market rates, and industry standards.
- (d) As of 31st, March, 2025, the amounts payable to related parties for purchases were NIL and the amounts receivable from related parties for sales were Rs. 3.24 Lakhs (P.Y.-Rs. 1.22 Lakhs). These balances are settled in the normal course of business, and no special payment terms have been provided.
- (e) The management has assessed that these transactions do not contain any unusual or abnormal elements that would affect the financial statements. The arm's length nature of these transactions ensures that the Company's financial performance is not impacted by related party influences.
- (f) Disclosures as per Ind AS 24: The Company has complied with the disclosure requirements of Ind AS 24, "Related Party Disclosures." The key management personnel have confirmed that they are not aware of any other transactions with related parties that would require disclosure under Ind AS 24.

Management continues to review and monitor related party transactions to ensure compliance with applicable accounting standards and to safeguard the interests of all stakeholders.

**Note No. 28 - Segment Information**

- (a) The Company is engaged in the business of Manufactures of Resins and Chemicals. In terms of Ind AS 108 "operating segment" the Company has one business segment i.e., Resins and Chemicals and all other activities revolve around the said business.
- (b) **Geographical Information** - The Company is domiciled in India and Operate in India only.
- (c) During the year ended 31st March, 2025, revenue from one customer accounted for more than 10% of the entity's total revenue. The total revenue from this customer amounted to Rs. 1175.08 lacs (PY 2669.39 lacs) and was primarily related to the sale of Resin & Chemicals. This concentration of revenue represents 33.10% (PY-50.39%) of the total revenue of the Company. There were no other customers with sales exceeding 10% of total revenue during the reporting period.

**Note no. 29 – Foreign Currency:**

**Note No. 31 - Fair Valuation Techniques**

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

**(a) The following methods and assumptions were used to estimate the fair values:**

The fair value of cash and cash equivalents, current trade receivables and payables, current financial liabilities and assets and borrowings approximate their carrying amount largely due to the short-term nature of these instruments. The management considers that the carrying amounts of financial assets and financial liabilities recognised at nominal cost/amortised cost in the financial statements approximate their fair values.

Investments in mutual funds are measured using market prices at the reporting date.

**Fair value hierarchy**

The above tables provide the fair value measurement hierarchy of Company's asset and liabilities, grouped into Level 1 to Level 3 as described below:

**Level 1:** Quoted prices (unadjusted) in active markets for identical assets or liabilities.

**Level 2:** Inputs other than quoted prices included in Level 1 that are observable for the asset or liability (i.e. as prices) or indirectly (i.e. derived from prices).

**Level 3:** inputs for the asset or liability that are not based on observable market data (unobservable inputs).

(b) **Financial Risk Management****Financial Risk Factors**

The Company's principle financial liabilities comprises of borrowings, trade and other payables. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company's principle financial assets include loans and advances, trade receivables and cash and bank balances that arise directly from its operation. The Company has exposure to the following risks arising from financial instruments and the Company's senior management oversees the management of these risks :-

**i.) Credit Risk**

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Company's receivables from customers. The carrying amounts of financial assets represent the maximum credit risk exposure.

The maximum exposure to credit risk for trade and other receivables are as follows:

Particulars	As at March 31, 2025	As at March 31, 2024
Trade Receivables	454.71	826.41
Other financial assets	24.53	22.73

**Trade Receivables**

The Company has developed guidelines for the management of credit risk from trade receivables. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. Credit risks are managed by the Company through credit approvals, and continuously monitoring the credit worthiness of the customers to which the Company grants credit terms in the normal course of business.

Exposures to customers outstanding at the end of each reporting period are reviewed by the Company to determine incurred and expected credit losses. Historical trends of impairment of trade receivables do not reflect any significant credit losses. Given that the macro economic indicators affecting customers of the Company have not undergone any substantial change, the Company expects the historical trend of nil credit losses to continue. Further, management believes that the unimpaired amounts that are past due by more than 30 days are still collectible in full, based on historical payment behavior and extensive analysis of customer credit risk.

**Cash and bank balances**

The Company held cash and cash equivalents with credit worthy banks as at the reporting dates. The credit worthiness of such banks and financial institutions are evaluated by the management on an ongoing basis and is considered to be good with low credit risk.

**Other financial assets**

Other financial assets comprises fixed deposits, interest accrued on fixed deposits. Generally, these fixed deposits are held with banks with which the Company has also availed borrowings. The credit worthiness of such banks is evaluated by the management on an ongoing basis and is considered to be good with low credit risk. The Company does not expect any losses from non-performance by these counter parties.

**Note no. 32 - Advance against Property**

The Company has paid an advance of Rs. 7.60 lacs to Indian Chemical Merchants & Manufacturers Association for purchase of land situated at Uluberia, Howrah. But on balance sheet date, the Agreement is not registered and also possession not received by the Company. The Company is confident of obtaining title or recovery of the amount. Accordingly, no provision has been made in the books. This advance is classified as non-current assets and is not expected to be settled within 12 months.

**IMPORTANT NOTES:**

1. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, which sets out details relating to Special Business at the meeting, is annexed hereto. Further, additional information as required under Listing Regulations and Circulars issued thereunder are also annexed.
2. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT A PROXY/PROXIES TO ATTEND AND VOTE INSTEAD OF HIMSELF/HERSELF. SUCH A PROXY/ PROXIES NEED NOT BE A MEMBER OF THE COMPANY.** A person can act as proxy on behalf of members not exceeding fifty (50) and holding in the aggregate not more than ten percent of the total share capital of the Company.

Corporate members intending to send their authorized representatives to attend the meeting are requested to send a certified copy of the Board resolution to the Company, authorizing their representative to attend and vote on their behalf at the meeting.

The instrument of Proxy in order to be effective, should be deposited at the Registered Office of the Company, duly completed and signed, not less than 48 hours before the commencement of the meeting. A Proxy form is sent herewith. Proxies submitted on behalf of the companies, societies etc., must be supported by an appropriate resolution/authority, as applicable.

During the period beginning 24 hours before the time fixed for the commencement of the meeting and ending with the conclusion of the meeting, a member would be entitled to inspect the proxies lodged at any time during the business hours of the Company, provided that not less than three days of notice in writing is given to the Company.

3. **Members / proxies** should bring the duly filled Attendance slip enclosed herewith to attend the meeting. Shareholders are requested to tender their attendance slips at the registration counters at the venue of the AGM and seek registration before entering the meeting hall. The shareholder needs to furnish the printed 'attendance slip' along with a valid identity proof such as the PAN card, passport, AADHAR card or driving license, to enter the AGM hall.

4. The Register of Members and the Share Transfer books of the Company will remain closed from Tuesday, 16<sup>th</sup> September, 2025 to Monday, 22<sup>nd</sup> September, 2025 (both days inclusive), for the purpose of Annual General Meeting.
5. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Companies Act 2013, will be available for inspection by the members at the AGM.
6. The Register of Contracts or Arrangements, in which the directors are interested, maintained under Section 189 of the Companies Act, 2013 will be available for inspection by the members at the AGM.
7. Members holding shares in demat form are requested to submit/ update their KYC and nomination details with their respective Depository Participant ("DP"). The Company or its Registrars cannot act on any request received directly from the members holding share in electronic form for any change of bank particulars or bank mandates. Such changes are to be advised only to the Depository Participant of the Members. Members holding shares in physical form and desirous of either registering bank particulars or changing bank particulars already registered against their respective folios for payment of dividend are requested to write to the Company.
8. In accordance with the proviso to Regulation 40(1) of the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015, effective from April 1, 2019, and SEBI notification dated January 24, 2022, transfers of securities of the Company including transmission and transposition requests shall not be processed unless the securities are held in the dematerialized form with a depository. Accordingly, Shareholders holding equity shares in physical form are urged to have their shares dematerialized so as to be able to freely transfer them, eliminate all risks associated with physical holding and participate in corporate actions.
9. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified.
10. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company.
11. Copies of the 37<sup>th</sup> Annual Report is being sent to all the members via the permitted mode.
12. Members may also note that 37<sup>th</sup> Annual Report will also be available on the Company's website [www.sreechem.in](http://www.sreechem.in) for their download. The physical copies of the aforesaid documents will also be available at the Company's Registered Office at Odisha for inspection during normal business hours on working days. Even after registering for e-communication, members are entitled to receive such communication in physical form, upon making a request for the same, by post free of cost. For any communication, the shareholders may also send requests to the Company's investor email id: [sreechem@sreechem.in](mailto:sreechem@sreechem.in). The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at [www.bseindia.com](http://www.bseindia.com) and the Notice is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. [www.evoting.nsdl.com](http://www.evoting.nsdl.com).

Shareholders of the Company are urged to opt for e-communication to help the Company contribute to go-green initiative of this nation and the world for a better tomorrow.

13. All documents referred to in the accompanying Notice and the Explanatory Statement shall be open for inspection at the Registered Office of the Company during normal business hours (10.00 am to 5.00 pm) on all working days, up to and including the date of the general meeting of the Company.
14. No dividend has been proposed by the Board of Directors for the year ended 31<sup>st</sup> March, 2025.
15. Members seeking any information with regard to accounts are requested to write to the undersigned at the Corporate Office of the Company, at least 7 days in advance, so as to keep the information ready at the Meeting.
